Dear Parents,

I am excited to inform you of an alternative educational opportunity that we would like you to consider for your current high school student. The Woodhaven-Brownstown School District has opened a new school called "Maple Grove Alternative High School".

There are many differences between WHS and MGAHS. The two most significant differences will be the manner in which credits are earned from the two schools as well as the number of credits that are required to earn a diploma from each school. Currently students at WHS are required to earn 28 credits in order to earn a diploma, while students enrolled in our new online, alternative high school will need to earn the 16.5 credits, the state of Michigan requires in their Michigan Merit Curriculum, in order to earn a diploma. Students enrolled in the new MGAHS will do the great majority of their work from home through an online learning experience while taking classes through the GenNet online learning program. They will only report to school to take their exams and to meet once a week with the staff member that is assigned to monitor their progress in the program.

Please know that online learning is not for everyone. Your child will need to work many hours each week in order to be successful and pass their online classes. If you are interested in exploring this option for your child please fill out the attached paperwork and contact Mr. Phil Short at Woodhaven High School, by calling (734-789-2066), in order to make an appointment.

By choosing to enroll in this Alternative High School please know that your child will be removing themselves as a Woodhaven High School student which means they will not be able to participate in WHS activities like athletics, clubs, dances, etc. Transportation is not provided to MGAHS. When your child completes their 16.5 required credits they will receive a diploma from Maple Grove Alternative High School and not Woodhaven High School. If you have further questions that you would like to discuss please contact me.

Matthew Czajkowski

Woodhaven High School Principal

____ I have read the above letter and I understand that by enrolling my student in MGAHS I am removing them from Woodhaven High School and the extra curricular activities, clubs, athletics, etc. that are available at WHS. I understand the differences between Maple Grove Alternative and Woodhaven High School.

Maple Grove Alternative High Student Agreement

Review the following and acknowledge that you understand the terms by signing below.

I understand that:

- MGAHS is a self-motivated, on-line learning environment that operates 365 days of the year with an adult online 24 hours per day to answer questions.
- The learning lab is available for additional help and support.
- Any internet interactions outside of the MGAHS environment are the responsibility of me and my guardian.
- It takes 30-40 hours to pass a class.
- I must keep my username and password secure.

I will be removed from the program if:

- I fail to attend the MGAHS learning lab a **minimum of one (1) time per week**
- I fail to log in 10-15 hours a week.
- I fail to make 10% progress in my class per week.
- I use inappropriate language or conduct illegal activity on the computer.

Maple Grove Alternative High School is a School of Choice program; failure to meet the requirements will result in removal of the program.

I have read and agree to the enrollment agreement information above.
